

GILDA

CHRISTMAS COLLECTION

In this year's Gilda Christmas Collection you will find everything you need for a delicious Christmas.

Start your Christmas morning with our signature pastries or perhaps impress your family by rustling up Eggs Royale with our fabulous hamper. While lunch is cooking you'll need our Great Taste 2024 award winning, Sloe Gin spiked mince pies. For dessert, the extremely popular Salted Caramel Chocolate Yule Log is an indulgent choice for those who are suspicious of traditional fruited fare. For the traditionalists, there is our take on a Christmas Pudding, studded with pistachios and cranberries, and our beautiful Christmas Cake, carefully matured and fed with Greensand Ridge Apple Brandy.

For your Boxing Day buffet, try our festive vegetarian sausage rolls with wild mushrooms, leeks, and chestnuts, and our Smoked Cheddar and Cauliflower Tart for an elegant centrepiece. Stock up on our all-butter cheese straws to serve with drinks, and our chocolate cookies to keep the children happy. For the perfect foodie gift, choose one of our carefully curated hampers, or simply give a Gilda gift card to share more of our artisanal baking with someone you love.

Whatever bakes you choose and whoever you're sharing it with, we wish you a Merry Christmas and a happy 2025.
